

18th Annual TRICS Conference 2006

**Is air quality still a problem?**

18th Annual TRICS Conference 2006

Why haven't technical fixes, such as hybrid or emissions-free vehicles been widely implemented?

18th Annual TRICS Conference 2006

What local can a local authority really do to improve air quality when our roads are so congested?

18th Annual TRICS Conference 2006

What can we do if our AQMA  
is due to the trunk/strategic  
road network?

18th Annual TRICS Conference 2006

**Is the impact on air quality  
ever a good enough reason to  
apply conditions and  
restrictions to development?**

18th Annual TRICS Conference 2006

**Does the HA have to think about air quality?**

18th Annual TRICS Conference 2006

**What can the HA do?  
one for us to discuss tomorrow  
perhaps?!**
